LEARN THE SKILLS TO
BECOME JOB READY

AHC30716 CERTIFICATE III IN HORTICULTURE

Funded by the Queensland government.

WHAT IS FEE-FREE TRAINING FOR YEAR 12 GRADUATES?

To support Queensland's Year 12 graduates to successfully transition to employment, the government is offering fee-free training in high priority qualifications identified by the Queensland Government and industry groups. This means eligible participants will not be required to contribute to the cost of their training.

Australian Academy, based in Southport QLD, is a registered Government education service provider offering a range of Certificate III level vocational education and training (VET) courses to provide training in skills identified as most needed by employers and industry.

ELIGIBILITY

To be eligible to access fee-free training, you must:

1. Have completed Year 12 in Queensland and hold a Senior Statement issued by the Queensland Curriculum and Assessment Authority or equivalent certificate that confirms you have completed Year 12 in Queensland
2. Enrol and start training with an approved training provider by the end of the calendar year following the completion of Year 12
3. Live permanently in Queensland

COURSE OVERVIEW

This qualification provides skills and knowledge to meet the needs of various sectors in the horticulture industry.

JOB OPPORTUNITIES

Job roles that may be available to you after successful completion of the course include:

- Horticulturist
- Gardener

ENTRY REQUIREMENTS

1. Students must be 15 years of age or over.
2. Students are required to successfully complete the Language Literacy and Numeracy test and achieve Level 3 in the Australian Core Skills Framework across reading, writing, learning, oral communication and numeracy skill. Prospective students who have completed year 12 or provide an AQF Certificate III or above in any discipline will be deemed as meeting the LLN entry requirements.
3. Satisfactorily complete a pre-training review interview to determine student's suitability for the chosen course.
4. Having access to the following is desirable for the successful completion of assessments and for research purposes:
