Terms of Trade

Terms of Trade:

Nursery Trays

Please note that the black nursery trays (80 tubes) will be charged out at \$2.50. Alternatively, you can return them to the nursery within 24 hours or the next business day to avoid this fee. Please discuss with the Nursery Manager at the time of your order.

Propagation Orders

Propagation orders are required when you request a specific number of stock that exceeds our current nursery stock. The full cost amount of a propagation order is due and payable to Gympie Landcare prior to the commencement of propagation. Should we have enough stock at the time of the order, the below cancellation policy does not apply, however, you will still be required to pay for your order within the payment terms.

Cancellation of Propagation Orders

- Customers must formally cancel their propagation order in writing.
- Customers that cancel their propagation order with 30 days' notice of the delivery date will receive 50% of the deposit refunded.
- Customers that cancel their propagation order with less than 30 days' notice will not receive a refund.

Postponing Orders

Should you request to postpone a propagation order that is in conjunction with services quoted to you or directly from our nursery, yourself and the Environmental & Conservation Manager or Nursery Manager must come to an agreement as to a suitable timeframe that will not compromise other projects or the quality/age of tubestock propagated specifically for your job. If the plants are not claimed within the new agreed timeframe, your order will be forfeited, and you will not receive a refund.

Pick Up of Orders

We will contact you to arrange a suitable time for you to pick up once your order is ready. Orders will not be held past the arranged pick up date.

If your order is part of a quoted service for works on your property, our E&C team will deliver the plants on the day works commence.

Prices

The quoted price are for quantities of 1000 tubes or more. Higher prices may be charged for smaller quantities. Please speak with our nursery staff to confirm pricing.

GST

All prices are GST exclusive.

Terms of Payment

Payment of order must be paid for in advance. Alternatively, a purchase order will be accepted and invoiced with a 14 day payment term.
