

## Pandorea jasminoides (Bower Vine)

Hardy, vigorous plant with dark green bushy foliage and showy, white or pale pink 5-petalled flowers, with dark pink throat in spring to summer. Oblong woody seed capsule, splitting in 2 with winged seeds. Suitable for groundcover, trellis or pergola. Will tolerate mild frosts. Used as a nesting site by small birds.

**Type:** Vine  
**Aspect:** Full Sun/Shade  
**Soil:** Well-drained  
**Habitat:** Dry Sclerophyll
